Walking on the water

In view of all the challenges we are facing at the moment, sometimes walking on water is not just something we wish for, it is an absolute necessity.

Peter's example shows us that we should expect complications.

Our curiosity brings us closer to God's promises and undertakings. So that we are filled anew with astonishment. And go home, sustained in this state.

Once again, all generations will share morning worship, there will be all kinds of Bible studies, an extensive fun and sport programme, the beach, numerous workshops, the bus café, stirring music and those precious moments in between that can't be planned in advance. Once again we will be

celebrating an Open Air worship service, this time in Bremerhaven. And so we hope to get the mixture right again in 2021.

Let us all look forward together to encountering God.

Yours,

Christhard Elle, Bremerhaven

Attendance/accommodation

Altogether we will have capacity for 400 people to attend. The festival costs **€60** for adults and **€30** for youngsters. Children do not have to pay a festival fee. Most participants will be able to stay at Dünenhof, either in the hotel, in the group houses, in one of the holiday apartments or in your own caravan or tent. You can also organise your own accommodation. In this case, you can book meals at Dünenhof in advance.

No-one should have to stay at home because of the costs. If your own church cannot help, please do not hesitate to contact us so that we can try to find a solution.

The booking portal on www.staunen.net will be opening on **12 May 2020**, all the necessary information can be found here before then. Who's doing the music? Who's running the Bible studies? What else is new? It's worth paying frequent visits to the website.

The festival languages are German and English. Some Bible studies, workshops and Staunen groups will take place in English, everything else will be translated. Other languages are also possible. Kontakt: elle@staunen.net or tagungsbuero@staunen.net
